

SANTA'S MAILBOX

Santa would love to hear from all the boys & girls in Bedford! So, all you have to do is drop him a line and send him good cheer. Tell Santa how good you have been for this past year!

The Bedford Parks & Recreation Department has planned with the Post Office, and your letter will be sent directly to the **NORTH POLE** from our special mailbox in the lobby of the Town Office Building (24 N. Amherst Road) from November 20th to December 20th.

Due to the large volume of mail Santa receives, we cannot accept letters after December 20th.

Please don't forget to print your name & write your address on your letter so Santa knows where to write back.
