

EASY EDIBLE TURKEY CRAFT

- Open Snack size Peanut Butter cups, leaving parchment cups on.
- Set on plate or parchment lined baking sheet.
- Unwrap completely the miniature peanut butter cups.
- Melt chocolate in microwave safe bowl, in 30 second increments, stirring after each.
- Once chocolate is melted dip the very bottom of the miniature cup in and attach to bottom part of the top of the snack size cup.

- Then dip the bottom of two eyes and place on top of the smaller cup to bring your turkey to life.
- Then take a piece of the cut candy corn and dip in chocolate as well, then place between eyes to finish off the face.
