Bedford Olde Towne Day 2025 is months away, but preparations have already begun. This is an opportunity for community members to relax, meet new neighbors, see old friends and learn more about Bedford, its organizations and the special people who call it home.

In an effort to alleviate last minute decisions and phone calls regarding participation in Bedford Olde Towne Day 2025. I wanted to contact you and the organizations that you represent.

You may or may not have been a participant last year so basically this letter is to discuss some of the guidelines that would be involved. According to Bedford Olde Towne Day policy, **NO RAFFLES WILL BE ALLOWED**.

- If your organization wishes to provide a game or activity for adults and/or children to play, there will be **NO CHARGE** for your space.
- If your organization just wishes to set up a table to promote your cause, hold registration for the upcoming year, etc., the **fee would be \$50** for your space. Your organization is to provide its own table
- If your organization wishes to sell items such as, T-shirts, cookbooks etc., 100% of the money taken in for these items goes back to your organization.
